If a student is found ineligible for the Hope Scholarship Program but the Account Holder believes the determination is erroneous, the Account Holder may appeal the eligibility determination within forty-five (45) days of the student being found ineligible for the program. The Hope Scholarship Board's three-member Committee on Appeals will review and make a determination on the appeal within forty-five (45) days after the appeal is submitted by the Account Holder. Effective August 1, 2025, application eligibility appeals will be submitted directly in the online Hope Scholarship portal. This guide will walk you through the process of

submitting an appeal in the online Hope Scholarship portal for your student's ineligible application.

Getting Started with Your Appeal:

- From your dashboard, click on the "My Applications" tab at the top of your screen.
 - Review your student's application status to locate any ineligible applications.

Understanding Application Statuses:

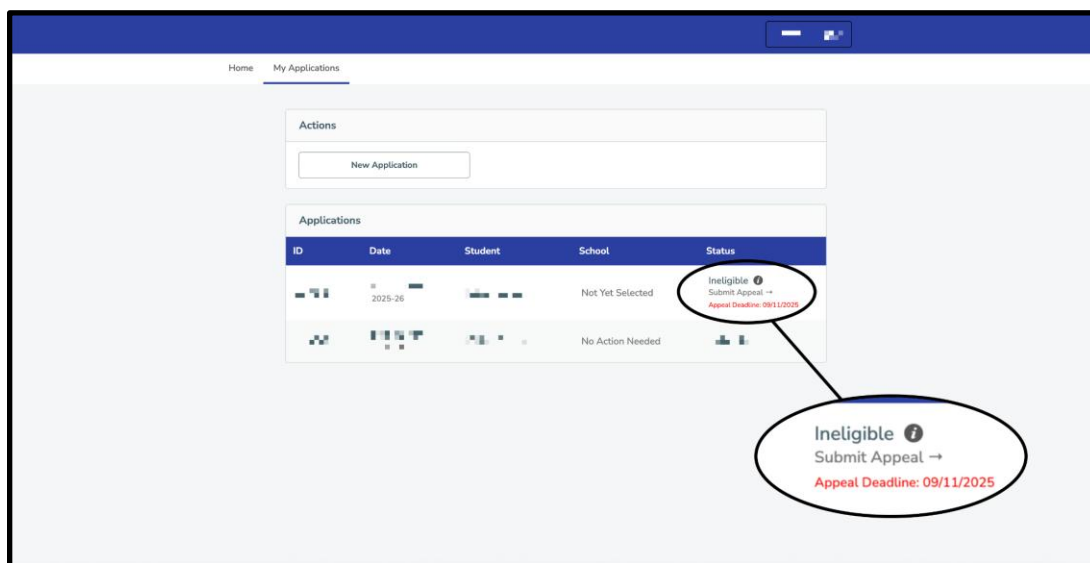

Your application may display one of these appeal-related statuses:

- **Ineligible:** The student has been found ineligible to participate in the Hope Scholarship Program.
 - A "Submit Appeal" button will appear when an application is initially found ineligible.
 - An Appeal Deadline will be displayed in red font.
 - You must submit your appeal before this deadline.
- **Appealed:** An application that was originally deemed ineligible has been resubmitted to the Hope Scholarship Board's Committee on Appeals for eligibility review.
 - No additional action is needed while the application is in this status.

- Continue to monitor the online portal for updates and a determination on your student's appeal.
- **Appeal Incomplete:** The submitted appeal did not have enough support/context to be presented to the Committee on Appeals or the Committee on Appeals is requesting additional documentation after their initial consideration of the appeal.
 - An "Update Appeal" button will appear.
 - The Appeal Deadline will be extended.
 - The Administrator notes will explain the additional information that is needed to complete the appeal.

Submitting Your Initial Appeal:

- Navigate to your student's ineligible application in the "My Applications" tab.
- Click the "Submit Appeal" button.

- A "Create Appeal" pop-up window will appear.
- In the appeal window:
 - Provide a clear, brief description of your reason for appealing.
 - *Note: If you have a longer, detailed narrative that you wish to submit with your appeal, please create a PDF document that you can upload using the process below. Word documents aren't accepted, but those can be converted to PDF format.*

- Click "Choose File" to upload any supporting documentation. Only the file types of jpg, gif, png, pdf, hevc, and/or heic will be accepted.
- Review your information for accuracy.
- Click "Submit Appeal" to officially send your appeal to the Hope Scholarship Board Appeal Committee on Appeals for review.

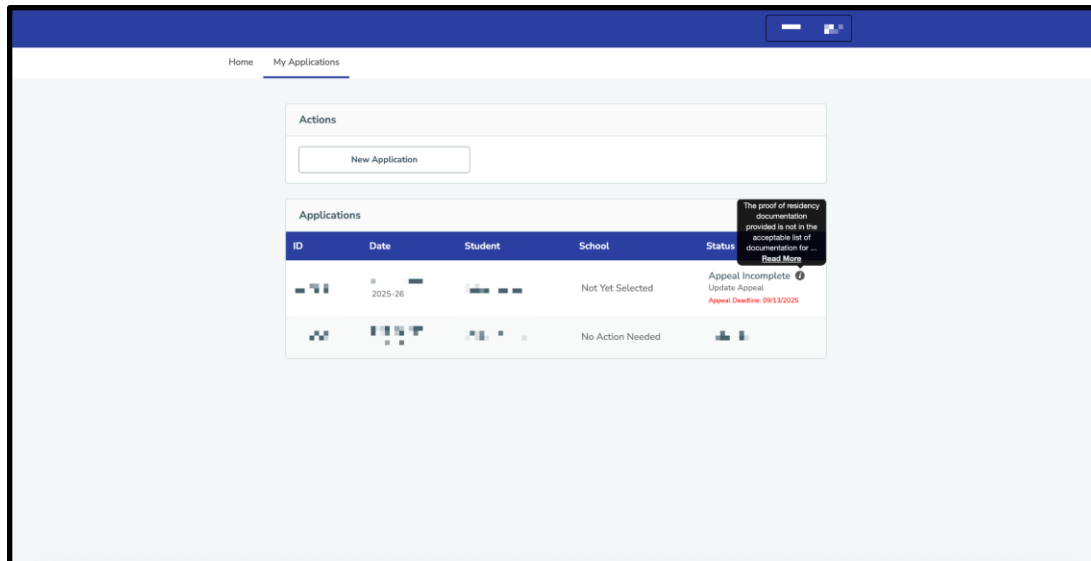

- After submission, you will return to the "My Applications" screen where the status will show "Appealed."

Note: The "Submit Appeal" button only appears for applications with "Ineligible" status. If your application is in Expired status and you wish to submit an eligibility appeal, please contact Hope Scholarship Board staff at hopescholarshipwv@wvsto.gov to discuss your student's situation.

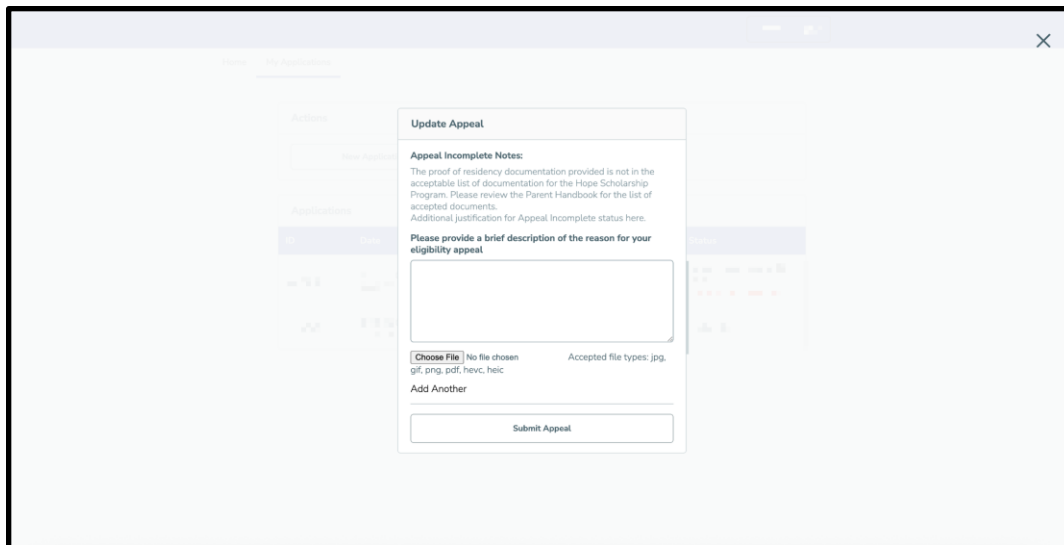

Updating an Incomplete Appeal:

- There may be situations where either Board staff completing an initial review of your appeal to present it to the Hope Scholarship Committee on Appeals or the Committee on Appeals itself will request additional information and support for the appeal.
 - The status will change to "Appeal Incomplete."
 - Hover over the small "i" information bubble to view administrator notes.

- Click "Read More" to view the complete message.

- Click the "Update Appeal" button.
- An "Update Appeal" pop-up will display which includes the following:
 - Appeal Incomplete Notes which will explain the additional information needed for the appeal.
 - Text field for an additional explanation (if needed).
 - File upload area for any additional documentation requested. Files will only be accepted in the following file formats: jpg, gif, png, pdf, hevc, and/or heic.

The screenshot shows a web interface for updating an appeal. The main heading is "Update Appeal". Below it, there is a section titled "Appeal Incomplete Notes:" which contains a paragraph of text. Underneath this is a text area for "Additional justification for Appeal Incomplete status here:". Below the text area is a file upload section with a "Choose File" button, a "No file chosen" status, and a list of accepted file types: gif, png, pdf, hevc, heic. There is also an "Add Another" link. At the bottom of the form is a "Submit Appeal" button.

- Based on the Appeal Incomplete Notes provided, the Account Holder should:
 - Upload the requested documentation.
 - Add any additional explanation requested.
 - Click "Submit Appeal" to resubmit the Appeal for consideration.

After Submitting Your Appeal:

- Monitor the "My Applications" tab regularly for status updates.
- Hope Scholarship Board staff will review your appeal, request any additional documentation needed to present your appeal to the Committee on Appeals, present your appeal documentation to the Committee on Appeals, and update the status of the appeal with the determination made by the Committee on Appeals.
 - If your appeal is denied by the Committee on Appeals, your student's application will return to Ineligible status.
 - If your appeal is approved by the Committee on Appeals, your student's application will be updated to Conditionally Eligible, Eligible or Approved status depending on the specific situation for the student.

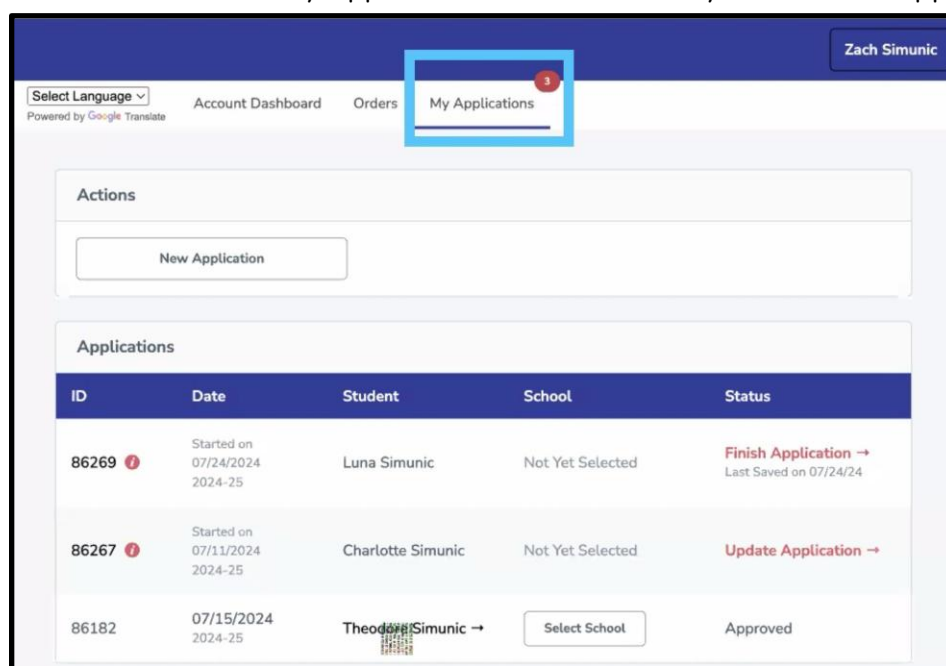

Important Reminders:

- **Always submit appeals before the deadline shown in red on your student's application.**

- Keep copies of all documentation submitted with your appeal.
- Refer to the Parent Handbook for general information related to eligibility appeals.

7. Managing Your Applications

- Click on the "My Applications" tab to view all your students' applications.

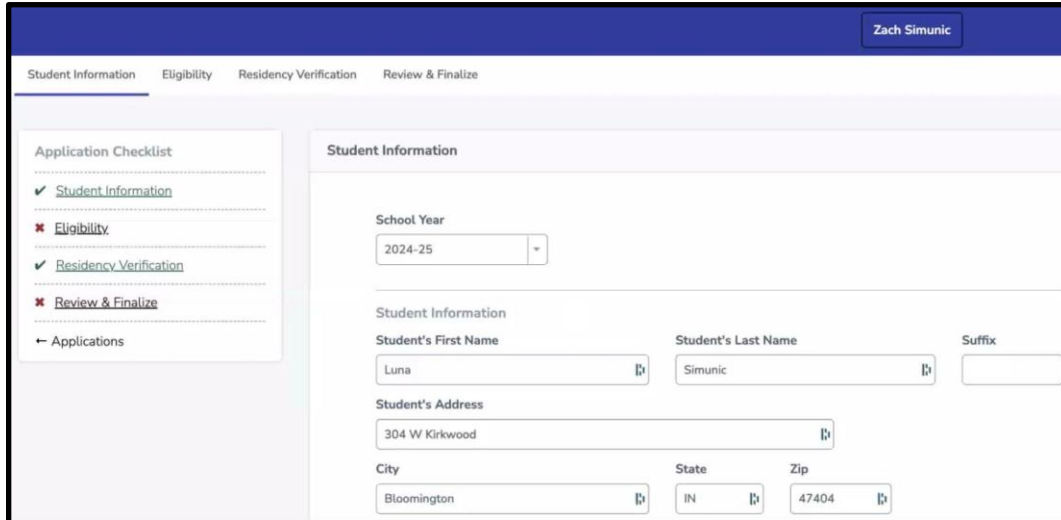

- You may see different statuses for each application:
 - **Finish Application:** The application is still being completed and has not been submitted for review. Account Holder still must submit the application to be reviewed and considered for eligibility.
 - **Pending Hope:** The application has been submitted in the online Hope Scholarship portal and is waiting to be reviewed by the Hope Scholarship Program.
 - **Update Application:** The application has missing documentation or other issues which require clarification and edits before an eligibility determination can be made. Applications that are waiting on updates are not complete and will not be reviewed until requested information is uploaded on the application and resubmitted. (An "Updated Application" will be marked ineligible after 30 days of no activity.)

- **Eligible:** The submitted application was complete and the Student is eligible to participate in the Hope Scholarship Program. The application will remain in this status until the Student's Notice of Intent is verified as being on file with the county board of education in advance of the upcoming school year.
- **Approved:** The submitted application was complete and the eligible Student has complied with other applicable statutory requirements. This does not signify that the approved student has been funded.
- **Conditionally Eligible:** The application is conditionally eligible for the upcoming school year until the Student's compliance with Year-End Academic/Attendance Reporting requirements are verified by the WV Department of Education.
- **Pending School Review:** A requested school needs to verify Student's enrollment.
- **Ineligible:** The application does not meet eligibility for the Hope Scholarship Program.
- **Appealed:** An application that was originally deemed ineligible has been resubmitted to the Hope Scholarship Board's Committee on Appeals for eligibility review.
- **Appeal Incomplete:** Submitted appeal did not have enough support/context to be presented to the Committee on Appeals.
- **Expired:** No further action can be taken on this application.

- For "Approved" applications, no further action is needed unless you're selecting a school (see next section).

8. Selecting a School or IIP

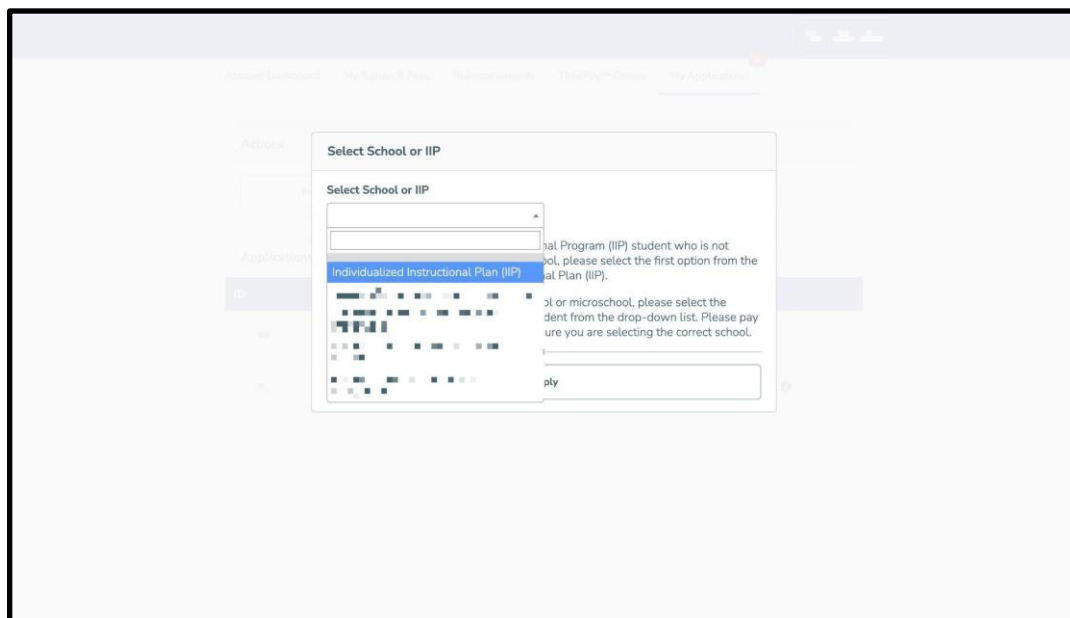

- **Important:** This step is mandatory for all participating Hope Scholarship students annually, regardless of whether they are an Individualized Instructional Plan (IIP) student or will be attending a participating nonpublic school or microschool.
- If your child is an IIP student who is **not** attending a nonpublic school or microschool, please select the first option from the drop-down list: Individual Instructional Plan (IIP).
- If your child is attending a nonpublic school or microschool, please select the school that has already accepted your student from the drop-down list. Please pay attention to both the name and city to ensure you are selecting the correct school.

To select a school or IIP for your student:

- **Prerequisites:** You must have an approved application and access to the online Hope Scholarship Portal.
- Navigate to the "My Applications" tab at the top of the page.
 - This tab is found in the main navigation menu.
 - Once clicked, you will see a display of all your current applications, including their statuses and available actions.

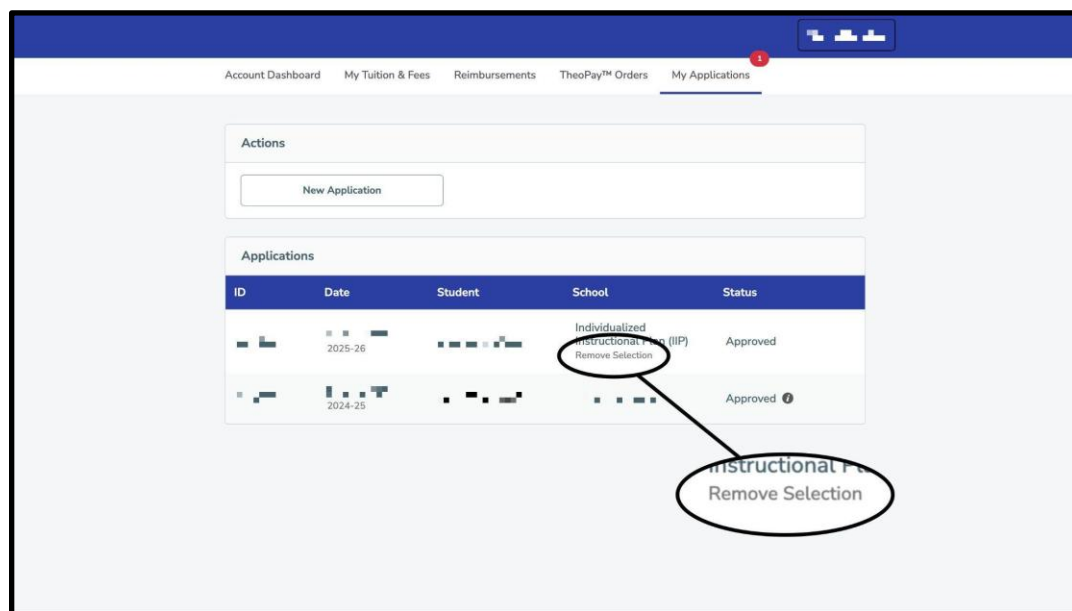

- Locate the approved application for the current school year which you want to select a school or IIP option.
- Click the "Select School or IIP" button associated with that application.
- This will open the school selection interface.

- In the selection interface, you will see a dropdown box containing enrollment options that include:
 - Individualized Instructional Plan (IIP)
 - All participating schools and microschools in the Hope Scholarship Program
 - **Tip:** You can scroll through the options or use the search bar to type in the name of your desired enrollment option.
 - **Please pay close attention to the school's name and city, as there are multiple instances of schools with the same name in different locations.**
- Once you've made your selection, click the "Apply" button to complete the process.
- After submitting your selection, you will return to the "My Applications" page, where you can see the selection you have just submitted.

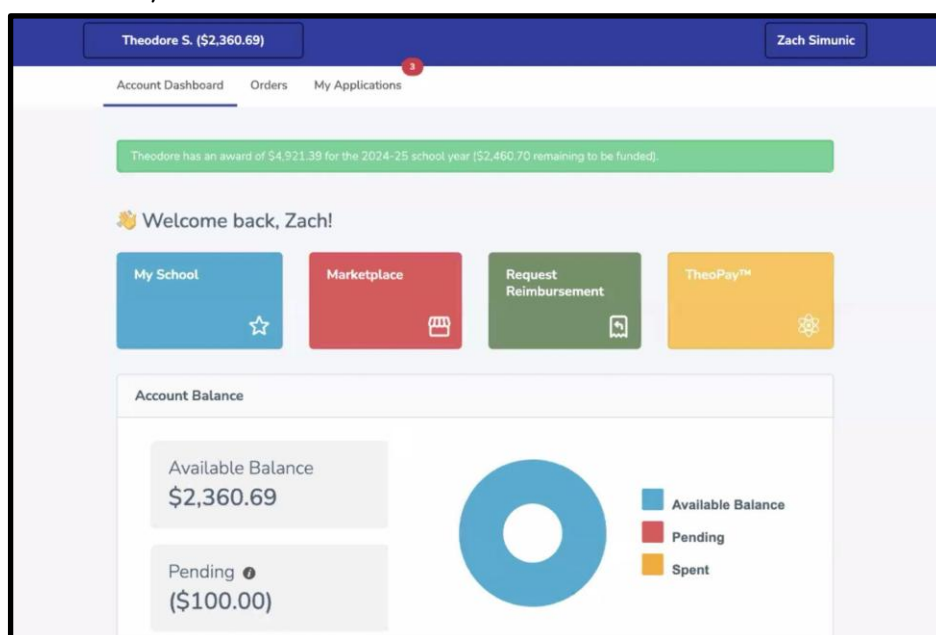

For IIP participants only:

- If you selected Individualized Instructional Plan (IIP) and change your mind, you can click the "Remove Selection" button on the "My Applications" screen.
 - This clears the IIP as your enrollment option and allows you to select a participating school or microschool instead.

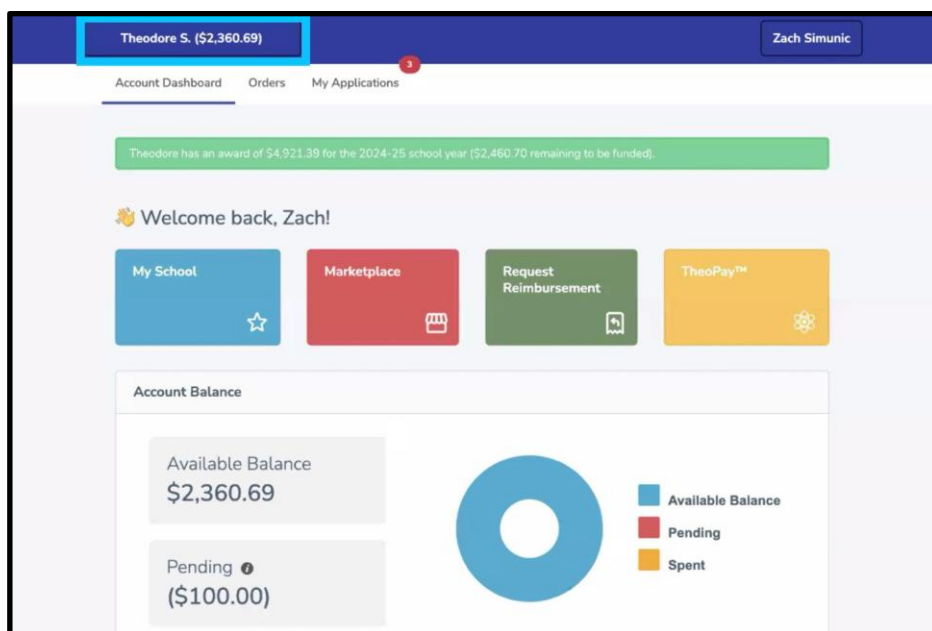

9. Navigating the Dashboard

- Upon logging in, you'll see your Account Dashboard, which is your central hub for managing Hope Scholarship information for your students.
- **Note: Account holders will NOT see the Account Dashboard for approved Hope Scholarship students until the account(s) are funded for the first time.**
- Key areas of the Dashboard include:
 - My Applications (provides access to your student(s) Hope Scholarship Application(s))
 - My School (if applicable)
 - Marketplace
 - Reimbursements
 - TheoPay

- If you have multiple participating students, you can switch between them by clicking on the student's name in the top left corner of the dashboard.
- This allows you to manage each student's account individually.

10. Understanding Your Wallet

- Once your account is funded, you'll have access to the Wallet view.
- Key features of the Wallet:
 - **Available Balance:** Shows available funds that a student can spend for qualified expenses.
 - **Pending Balance:** Shows transactions that are in process.
 - **Spending Graph:** Visualizes your current available, pending, and spent funds.

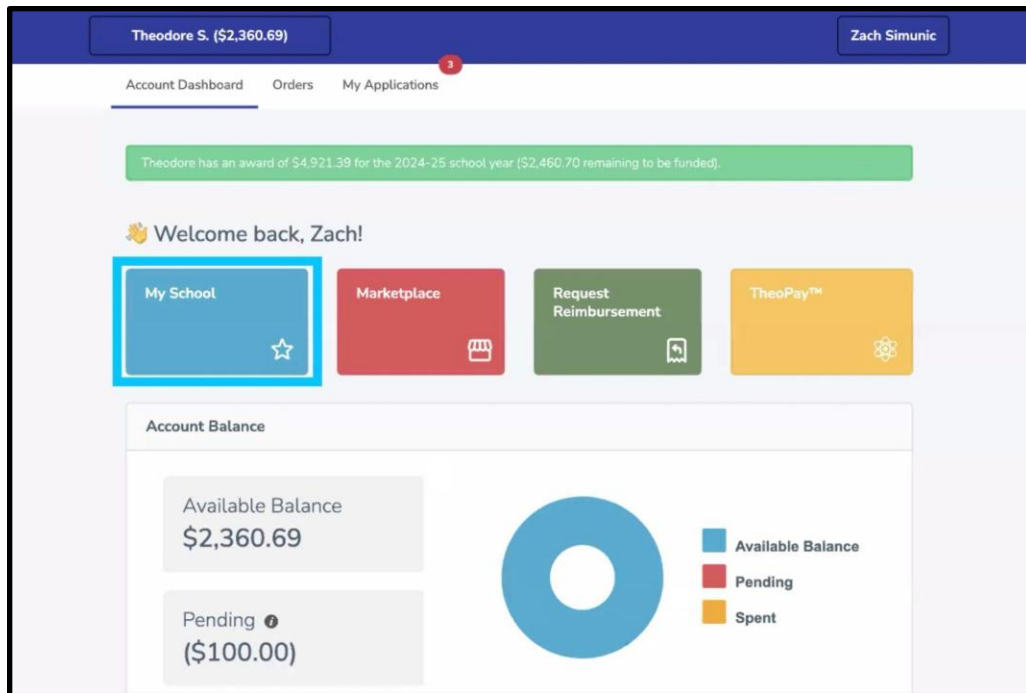

*Please note that this is an example and does not reflect a specific WV Hope Scholarship student's funding amounts.

- Hope Scholarship Funding Timeline:
 - First semester funding will be available on August 15th.
 - Second semester funding will be available by January 15th.
 - Students participating in the Program for less than a full year will receive their prorated funds as soon as feasible after being awarded Program participation. The Board generally deposits prorated funds to awarded students on a monthly basis to allow time for the various state processes needed to make the transfer after an application is approved and the Student is awarded.
 - Once the Student has been found eligible, the Account Holder must provide a Hope Scholarship Notice of Intent (NOI) to the Student's local county superintendent. Failure to submit a Notice of Intent will jeopardize a Student's ability to participate in the Hope Scholarship Program, as the Notice of Intent is a state law requirement for Program participation. The Board may withhold or delay funding to a Hope Scholarship student's account if a Notice of Intent has not been submitted. (Please reference the [The Hope Scholarship Parent Handbook](#) for more information.) Once The Board receives confirmation that a Hope Scholarship Notice of Intent has been reported by the student's local board of education, the student's application will be updated to Approved to communicate that the student can be funded on the next funding cycle.

11. Paying Tuition and Fees (if applicable)

If your student is attending a non-public school or microschool:

- From your account dashboard, click on the blue "My School" tile.

- You'll see two semesters listed; one will be unlocked each time your student's account is funded.
- Click "Pay Tuition & Fees" for the unlocked semester.

The screenshot shows a payment portal for Silver Lake Elementary. At the top, it displays the account holder's name 'Theodore S.' and the balance '\$2,360.69'. There is a 'Back to Search' link and the date 'WEDNESDAY, JULY 24'. The school's logo and name 'Silver Lake Elementary' are prominently displayed. Below this, there are tabs for 'Enrollment' and 'Products & Services'. Under 'Products & Services', there are two sections: 'Semester 1 Tuition & Fees' for the period '07/15/24 - 12/31/24' with a red 'Pay Tuition & Fees' button, and 'Semester 2 Tuition & Fees' for the period '01/01/25 - 05/31/25' which is marked as 'Locked'.

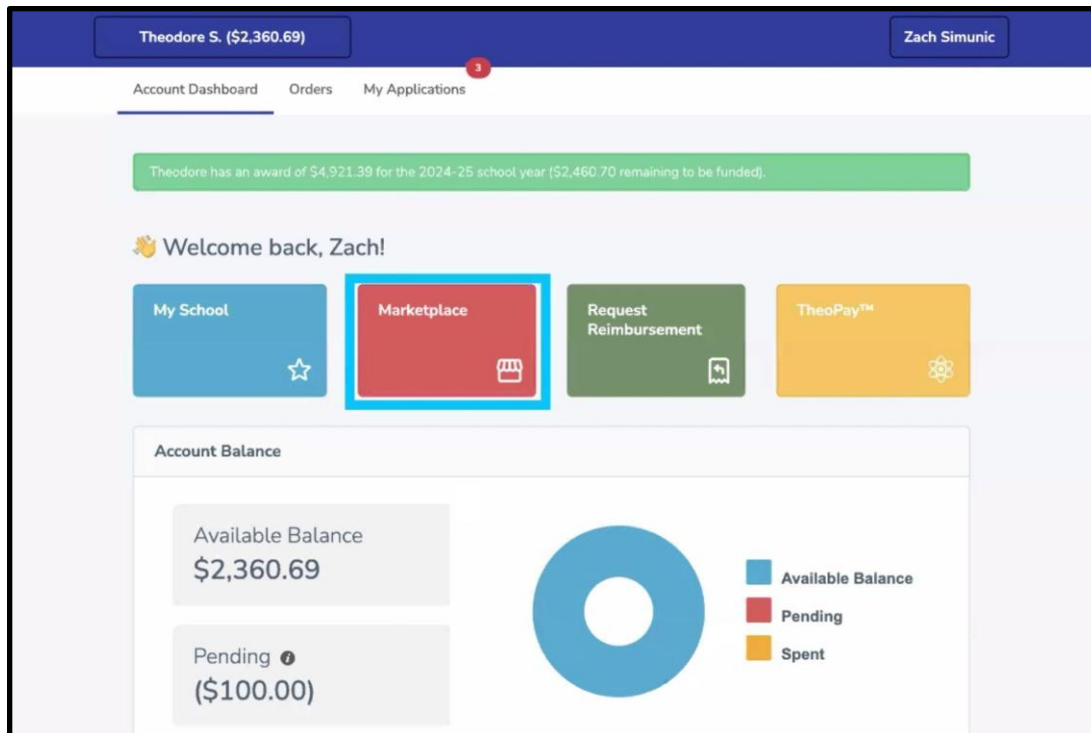

- **Review the amounts listed.**
- If the Tuition and Fees are correct, click "Submit" to process the payment.
- If the Tuition and Fees are incorrect, please email hopescholarshipwv@wvsto.gov.

Important reminders:

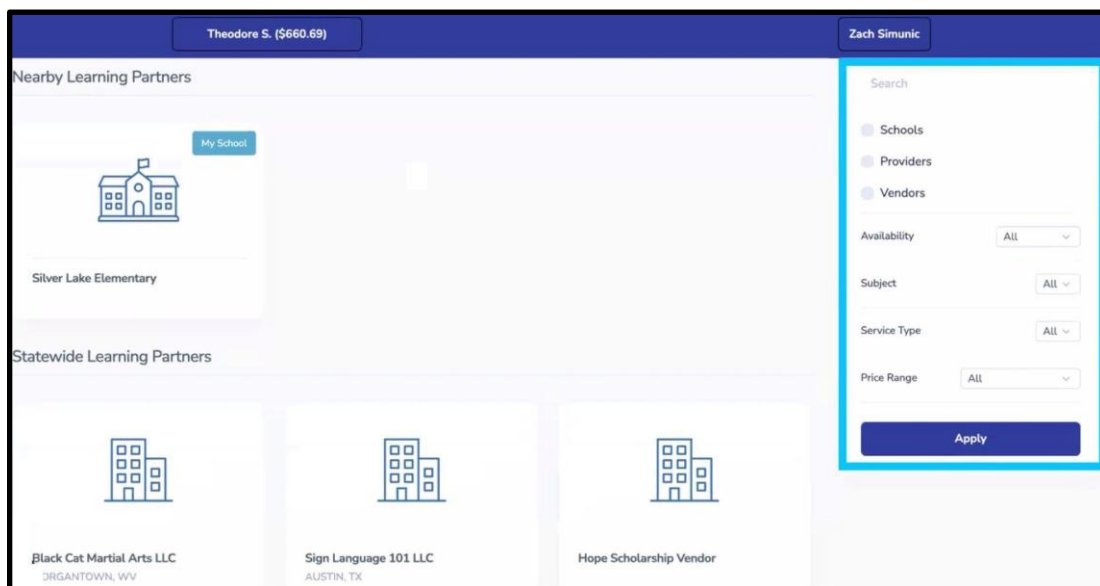

- **This step must be completed by the Account Holder. Payments are not processed automatically.**
- Complete this step promptly after receiving funding on August 15th and January 15th.
- Timely completion ensures your child's school receives tuition and fees quickly, ensuring no delay in the payment process.

12. Using the Marketplace

- The Marketplace is primarily for service-based items (e.g., tutoring, music lessons).
 - From your dashboard, click on the red "Marketplace" tile.

- Browse or search for approved products and services.
- Select the item you wish to purchase.
- Follow the prompts to complete the transaction.

13. Submitting Reimbursements

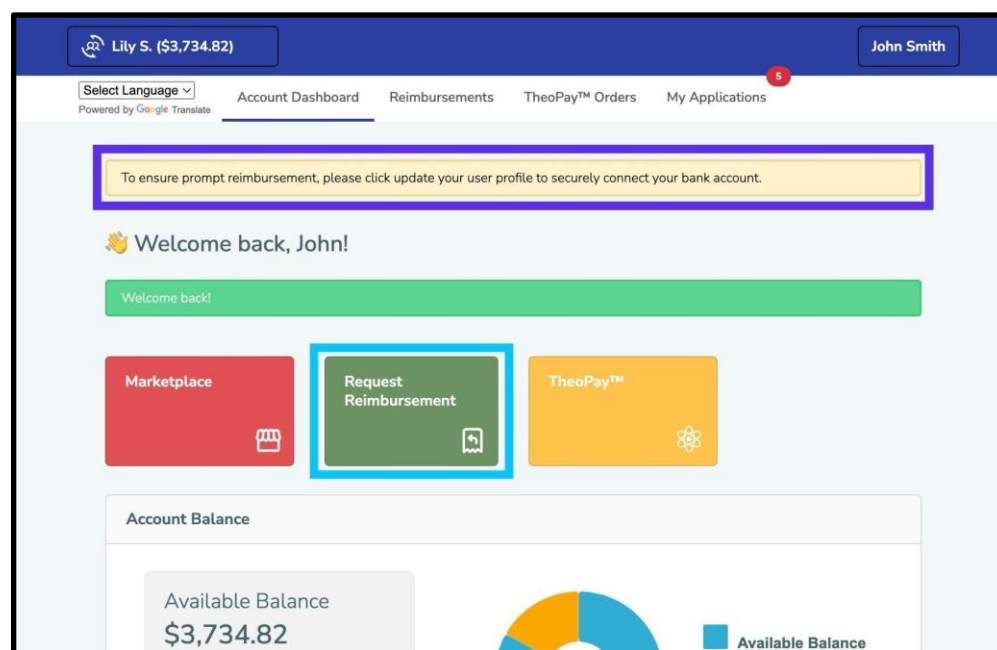

Reimbursements are only allowed for specific expenses as outlined in the [Hope Scholarship Board's Reimbursement Policy](#).

To submit a reimbursement request:

- Connect your bank account to the platform (see announcement at the top of your dashboard).
- Account Holders will not be able to submit a reimbursement request until you have successfully connected your bank account. If needing further assistance with this step, please contact the Hope Engagement Center at 681-999-HOPE (4673) or help@hopescholarshipwv.com

Note: If you do not plan to submit a reimbursement request, you do not need to connect your bank account to the online platform.

- Click on the "Request Reimbursements" tile in your dashboard. If you have multiple students, make sure that you are completing the reimbursement request for the correct student. Please ensure the correct student's account is displayed in the top left corner as you continue to place the reimbursement request.

- Familiarize yourself with the [Hope Scholarship Board's Reimbursement Policy before submitting a request](#). This document provides a clear understanding of what is eligible for reimbursement of Hope Scholarship funds.

The screenshot shows a web interface for submitting a reimbursement request. At the top, there is a blue header bar with a user profile section on the left showing a circular icon and the text 'Lily S. (\$3,734.82)', and a button labeled 'John Smith' on the right. Below the header, there is a navigation bar with a 'Back to Account' link on the left and the date 'MONDAY, SEPTEMBER 16' on the right. The main content area is titled 'Upload Documentation'. It contains the text 'Submitting reimbursement for: Lily Smith'. Below this, a blue-bordered box highlights the instruction: 'For more detailed descriptions of the category options, please see the [Hope Scholarship Board's Reimbursement Policy](#).' Following this, there is a section for 'Enter Amount' with an empty input field, and a 'Select a Category' dropdown menu. Below the dropdown, there is a detailed instruction: 'If you select Documented Disability or Other Specialized Educational Need or Documented System Malfunction/Procedural Issue or Other Educational Supplies, you must provide a detailed explanation in the Description box below. If you select any other category, please indicate in the Description box that the question is not applicable.' At the bottom, there is a section for uploading an invoice, with the text 'Please upload an itemized invoice clearly reflecting the item being submitted for reimbursement.' and a 'Choose File' button next to the text 'No file chosen'.

The Hope Scholarship Reimbursement Policy does not allow for the reimbursement of this item.

As reimbursement requests are reviewed, the status of the request will appear in the “Actions” column and show either an “Approved” or “Not Approved” status. These statuses are defined as follows:

- **Approved:** Your reimbursement request has been approved and the total expense, including applicable tax, shipping, and handling fees, will be reimbursed to the bank account you have on file within the online Hope Scholarship portal.
- **Not Approved:** Your reimbursement request has been denied because it was judged ineligible according to the specific terms outlined in the [Hope Scholarship Board’s Reimbursement Policy](#).
- **Processed:** Payment has been processed for the reimbursement request and paid to the linked bank account.

Note: If your reimbursement request was not approved for missing documentation, the family notes section will describe what documentation is needed for review. Account Holders will

need to re-submit a new reimbursement request if previously denied for missing documentation.

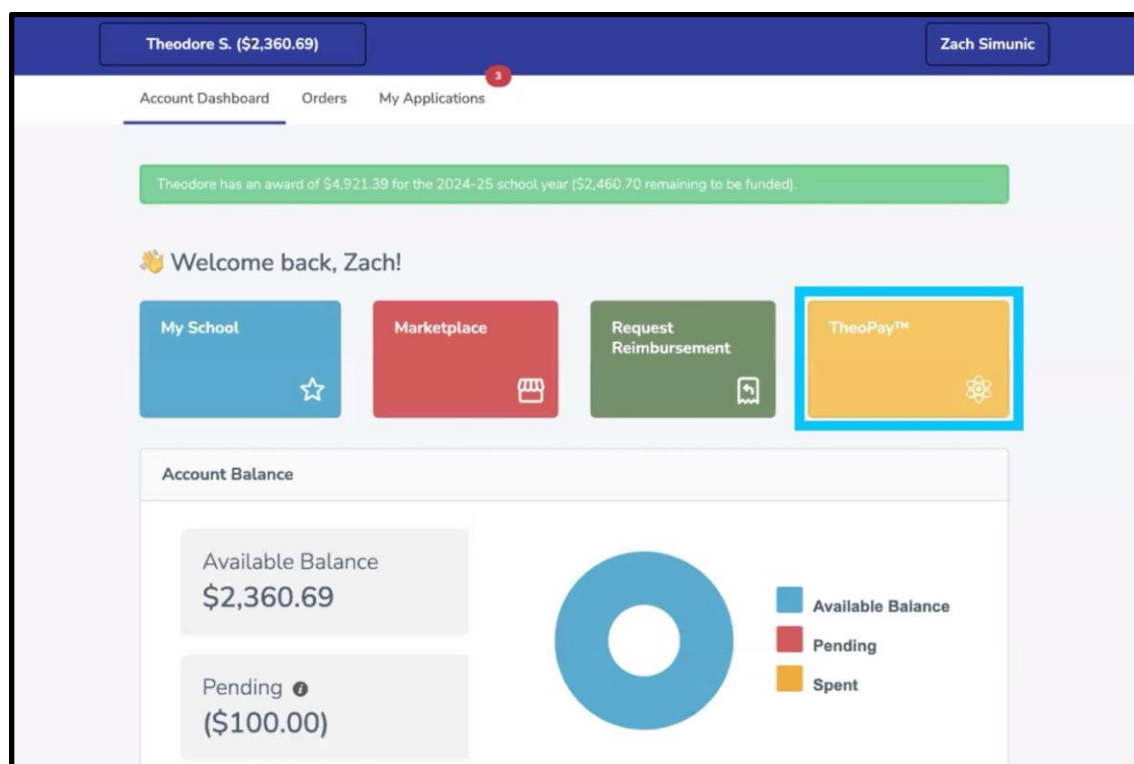

Note: For each reimbursement request you have submitted, you will receive an email that communicates Approved or Not Approved status. In the case of an ineligible decision, the email will contain a specific reason that the request was deemed ineligible.

Appeal Rights: You have the right to appeal a denied reimbursement request. To do so, please visit the [Hope Scholarship Parent and Student Forms](#) page on the [Hope Scholarship Program](#) website to access the Reimbursement Appeal Form.

15. TheoPay Order Return & Refund Process

Initial Return Request

1. Before Starting the Return Process

- Each TheoPay whitelisted vendor has specific policies regarding vendor return policies published through the vendor's website, which can be reviewed at [TheoPay Enabled Vendor Return Policies](#). □

Note: All returns under the Hope Scholarship Program are subject to the return policies of the vendor from which the returned item was originally purchased. This includes the timeframe to complete a return as well as any restocking fees or other charges for returns processed after

the eligible period. If the vendor will not permit the return of a specific TheoPay item under the vendor's return policy, the Hope Scholarship student will not be able to receive a refund for the item.

2. Submit Return Request

- Complete the [TheoPay Product Return Request Form](#) by clicking the link.
- **Note: Do not initiate a return on your own with a vendor without going through the required TheoPay Product Request Form.**
 - **Important:** If you initiate returns directly with vendors outside of the Hope Scholarship Program's official return process, the Program cannot be held responsible for any issues that may arise.

3. Follow Steps in Hope Scholarship's TheoPay Order Returns Process guide.

- The [TheoPay Order Returns Process](#) guide provides detailed instructions for account holders to follow to ensure Hope Scholarship funds are properly returned to students accounts. **Completion of the TheoPay Product Request Form does NOT signify that the return process is complete. Following all steps is important to ensure the TheoPay returns process is complete.**
- If you need additional assistance for TheoPay returns, please reach out to the Hope Engagement Center at help@hopescholarshipwv.com or by phone at (681) 999-HOPE (4673).

16. School Withdrawal & Refund Process

This section applies to nonpublic or microschool students who are enrolled in a school in the online Hope Scholarship portal but who wish to withdraw from that school.

Initial Withdrawal Stage

Before Starting Withdrawal

- Please review your current non-public school's withdrawal policy. Hope Scholarship funds cannot be used to pay for services not rendered to a student. Families may be responsible for expenses non-refundable by a specific school's withdrawal policy.

- Determine new educational path:
 - Different Hope participating school
 - IIP (learning at home) program
 - Return to public school
 - Other
- Email hopescholarshipwv@wvsto.gov to inform the Hope Scholarship Program regarding your student's withdrawal. Include the student name, current school, start date and end date of enrollment, and educational plans for the future. **If the Student returns to public school, the Student is no longer eligible for the Program and the Account Holder must immediately cease use of Hope Scholarship funds.**

Withdrawal Refund Processing Stage

1. School Refund Process

- Hope Scholarship Board Staff will work with the school to initiate a withdrawal in the Hope Scholarship online portal, which will remove the student from the school, freeing the student to make a new school selection in the system.
- The withdrawal process also calculates whether the school owes a refund for the student based on the number of instructional days the student attended the school and the school's annual tuition rate. If a refund is due for the student, the system will generate a negative invoice for the school.
- The school will issue a refund to Student First Technologies to pay the negative invoice for the student within 30 days of the student's withdrawal from the school.

2. Refund Processing by Hope Scholarship Program

- Student First Technologies receives the student's refund check from the school, verifies the amount and student details, and processes the refund total back to the student's Hope Scholarship account.

17. Support and Assistance

If you encounter any issues, the Hope Engagement Center is available to assist you by contacting help@hopescholarshipwv.com or 681-999-HOPE (4673). Thank you for your participation in the West Virginia Hope Scholarship Program!
