

Below is a link to the vendor return policies for TheoPay whitelisted vendors that are publicly available on the vendors' websites. **All returns under the Hope Scholarship Program are subject to the return policies of the vendor from which the returned item was originally purchased.** This includes the timeframe to complete a return as well as any restocking fees or other charges for returns processed after the eligible period. If the vendor will not permit the return of a specific TheoPay item under the vendor's return policy, the Hope Scholarship student will not be able to receive a refund for the item.
